

Sophie Dubois

Mid-level UX/UI Designer

sophie.dubois.design@email.com | +33 1 23 45 67 89 | Paris, France

SUMMARY

Creative and detail-oriented UX/UI Designer with 5 years of experience crafting intuitive and engaging digital experiences. Proven ability to translate user needs into elegant design solutions across web and mobile platforms. Seeking to leverage design expertise to contribute to innovative projects.

EXPERIENCE

UX/UI Designer - Innovate Solutions SARL

January 2021 - Present

Led the design process for multiple client projects, from user research and wireframing to high-fidelity prototyping and UI design. Collaborated closely with product managers and developers to ensure seamless implementation of design concepts. Conducted usability testing and iterated on designs based on user feedback.

Junior UI Designer - Creative Digital Agency

June 2019 - December 2020

Assisted senior designers in creating visual assets, style guides, and user interface elements for web applications. Developed interactive prototypes using Figma and Adobe XD. Participated in brainstorming sessions and contributed to the overall visual direction of projects.

Design Intern - TechForward Inc.

January 2019 - May 2019

Supported the UX team with user flow mapping, creating wireframes, and preparing design documentation. Gained hands-on experience with user-centered design principles and agile development methodologies.
