## Senior React Frontend Engineer

alex.johnson.dev@email.com | +4917612345678 | Remote (EU)

### SUMMARY

---

Highly skilled Senior React Frontend Engineer with 7+ years of experience in building scalable and user-friendly web applications. Proven ability to lead frontend development, mentor junior engineers, and collaborate effectively with cross-functional teams to deliver high-quality software solutions.

### EXPERIENCE

---

#### Senior Frontend Engineer - Innovate Solutions GmbH

2019 - Present

Led the development of a new customer portal using React and TypeScript, improving user engagement by 25%. Mentored a team of 4 frontend developers, conducted code reviews, and implemented best practices for maintainable code. Collaborated with UX/UI designers and backend engineers to define and implement new features.

#### Frontend Engineer - TechForward Ltd.

2017 - 2019

Developed and maintained responsive web applications using React, Redux, and modern JavaScript. Contributed to the redesign of the company's main product interface, resulting in a 15% increase in conversion rates. Worked closely with product managers to translate requirements into technical specifications.

#### Junior Frontend Developer - Digital Creations Agency

2015 - 2017

Assisted in the development of client websites and web applications using HTML, CSS, and JavaScript. Gained experience with frontend frameworks and version control systems. Participated in daily stand-ups and contributed to team projects.
