

Fionnuala O'Shaughnessy

Technical Writer

f.oshaughnessy@techmail.ie | +353 87 555 0192 | Dublin, Ireland

SUMMARY

Detail-oriented Technical Writer with five years of experience creating comprehensive documentation for complex SaaS platforms. Proven track record in translating intricate technical concepts into user-friendly guides and API references to improve developer adoption.

EXPERIENCE

Technical Writer - CloudStream Solutions

2021 - Present

Lead documentation efforts for cloud infrastructure APIs, maintaining a library of over 200 articles and tutorials. Collaborated with engineering teams to document new feature releases and deprecation cycles.

Junior Technical Writer - FinTech Dynamics

2019 - 2021

Authored internal knowledge base articles and user manuals for financial software. Assisted in the migration of legacy documentation to a modern Markdown-based static site generator.

Content Coordinator - Dublin Digital Media

2018 - 2019

Managed editorial calendars and performed quality assurance on technical blog posts and white papers for various technology clients.

SKILLS

Markdown - DITA - Swagger/OpenAPI - Git - MadCap Flare - Confluence - Jira - HTML5 - CSS3 - Python - Adobe FrameMaker
