

Boudewijn Vroomans

Senior Scrum Master and Agile Coach

b.vroomans.agile@example.nl | +31 6 1234 5678 | Rotterdam, Netherlands

SUMMARY

Accomplished Agile practitioner with over 12 years of experience driving organizational transformation and team performance. Expert in scaling Scrum frameworks and fostering high-trust environments to deliver complex software solutions in fast-paced enterprise settings.

EXPERIENCE

Senior Agile Coach - HavenTech Solutions

2019 - Present

Leading the enterprise-wide transition to SAFe for a 200-person engineering department. Mentoring middle management on servant leadership and optimizing value stream mapping to reduce delivery lead times by 30 percent.

Scrum Master - Europort Digital Systems

2015 - 2019

Facilitated Scrum ceremonies for three cross-functional squads. Successfully coached teams through a transition from Waterfall to Kanban, resulting in a significant increase in sprint velocity and stakeholder satisfaction.

Junior Scrum Master - Rotterdam FinTech Group

2012 - 2015

Supported product owners in backlog refinement and user story mapping. Managed team impediments and promoted continuous improvement through data-driven retrospectives.
